

**LIVING BEYOND
BREAST CANCER™**

**BREAST
CANCER**

helpline

The Breast Cancer Helpline can connect you to someone who understands. Because they've been diagnosed with breast cancer, too.

At Living Beyond Breast Cancer, our mission is to connect you with trusted information and a community of support. For almost twenty years, our Helpline has provided the chance to speak with a trained volunteer* who can offer advice, guidance and access to valuable resources to help you better understand and manage the complex physical and emotional impact of this disease.

You can reach the Breast Cancer Helpline toll-free at (888) 753-LBBC (5222) or via online chat at lbbc.org/helpline from 9 a.m. to 9 p.m. ET. At all other times, just leave a message; calls are returned within 24 hours and often much sooner.

**Call today or when you're ready.
You are not alone.**

*Our Breast Cancer Helpline is staffed by volunteers who have been personally affected by breast cancer and LBBC staff members who have been trained to answer calls. The information provided is not a substitute for professional counseling or medical advice. Breast Cancer Helpline volunteers and staff are not authorized to provide, and will not provide, counseling, medical or legal advice.

Call toll-free by dialing
