

# With Sincere Gratitude

A Message from HealthWell  
Foundation President, Krista  
Zodet

It's hard to believe that 2020 is just around the corner! 2019 has been an incredible year for me and the team. As I write my final letter for 2019, my heart is filled with thanks and gratitude for the many accomplishments we've achieved throughout the year. From the addition of new team members and the successful launch of our very own Contact Center, to new fund openings, and enhancements to our program, we've continued to increase momentum to ensure that those we serve have the best HealthWell experience possible. As I have mentioned countless times before, none of this would have

been possible without the continued support and trust of our dedicated individual and corporate donors whose selfless acts of kindness touch the lives of thousands of underinsured Americans every year. On behalf of my team, our Board of Directors, and those we serve – THANK YOU – we could not do this without you!

This is a busy time of year for many of us, so this letter will be brief. I'm looking forward to sharing details of our 2019 milestones early next year, so be on the lookout!

## Meet the Team

Earlier this year, we were honored to welcome four new members to our corporate team who share our passion to help underinsured American's access life-changing, often life-saving, medical treatments. It warms my heart to see our HealthWell family grow and to know that each day we are making a difference in the lives of those in need. I hope you'll take a few minutes to meet our newest members of the team!

## Honored to be Recognized

I'm thrilled to share that the HealthWell Foundation was recently ranked #38 on the Chronicle of Philanthropy's 2019 List of America's Top 100 Charities and #42 on the NonProfit Times 2019 Top 100 List of America's Largest Charities. We were also recognized by Great NonProfits as a 2019 Top Charity. It's an honor to be recognized by these organizations for being a leading nonprofit!

#GIVING  
TUESDAY

#helpushelpthemfight

## Giving Tuesday Challenge

I'm excited to share that we have launched our 2019 campaign for Giving Tuesday (December 3, 2019), an international day of charitable giving, to raise awareness and funding for our

Cystic Fibrosis Vitamins & Supplements Fund. Through this fund, we are able to help people living with Cystic Fibrosis, a life-threatening, genetic disease that causes persistent lung infections and progressively limits the ability to breathe, access critical vitamins and supplements that are vital to maintaining good health. Our goal is to raise \$5,000 for the fund between now and December 3rd.

Click the photo to check out our campaign and meet Torey, the mother of twins Arielle and Joelle who are both living with Cystic Fibrosis and are both recipients of grants through our CF Vitamins and Supplements Fund. Learn how HealthWell grants changed the lives of not just the girls, but the whole family.

Won't you help us meet our goal by donating to our #givingtuesday campaign to raise money for our CF vitamins and supplements fund (#helpushelpthemfight) so we can help more individuals, like Arielle and Joelle?

## Year-End Giving – Your Donation Makes a Difference

As we rapidly approach the end of 2019 and enter this season of giving, we give thanks to the amazing corporate and

individual donors who continue to support our mission. Without the generosity of our donors, we would not have been able to offer a financial lifeline to thousands of underinsured Americans in need of critical, often life-saving, medical treatments. We know that there are many choices when it comes to charitable giving and we are honored that you continue to demonstrate your trust in and support of the HealthWell Foundation through your generous gifts.

During this season of giving, we hope that you will once again consider the HealthWell Foundation worthy of a year-end donation. Did you know that 100% of your donated dollar goes directly to patient grants and services? Your donation is put to work immediately to assist underinsured patients who have nowhere else to turn.

There are many ways you and your friends and loved ones can support our mission!

1. Help families, like Torey's, afford critical vitamins and supplements for Cystic Fibrosis.
2. Make a tax-deductible general donation.
3. Donate in the name of a friend or loved one.
4. Plan a donation in your will.
5. Spread the word about the important work we do by telling us your HealthWell story.

Can't make a financial contribution? You can help spread the word about the life-changing work we do. Connect with us through our social communities!
