HealthWell's Oncology Caregiver Behavioral Health Fund provides financial support for out-of-pocket costs for behavioral health services rendered to live-in family caregivers providing care to a cancer patient with an active HealthWell oncology grant. The fund provides assistance with prescription drugs, counseling services, psychotherapy, and transportation costs needed to treat or manage behavioral health issues for covered services prescribed by Medicare certified behavioral health providers (psychiatrists, psychologists, and licensed social workers).

Our services are free of charge.
