

## **Raise Awareness for Lupus, Arthritis and Asthma During the Month of May**

Did you know that May is awareness month for Lupus, Arthritis and Asthma & Allergy? Take a moment to check out the following links to learn more about these diseases and activities available throughout the month to increase awareness. We invite you to spread the word and help provide a better understanding of these life-altering conditions. If you need assistance paying for your medications for Lupus, Arthritis or Asthma, HealthWell may be able to help. [Click here for more information:](#)
